

SOCIAL DISTANCING ETIQUETTE

Please maintain a safe distance from others at all times.

The hotel will make every reasonable effort to comply with the 2m social distancing guidelines set out by the government but some areas are 1m+.

Please check your temperature on entering the reception area

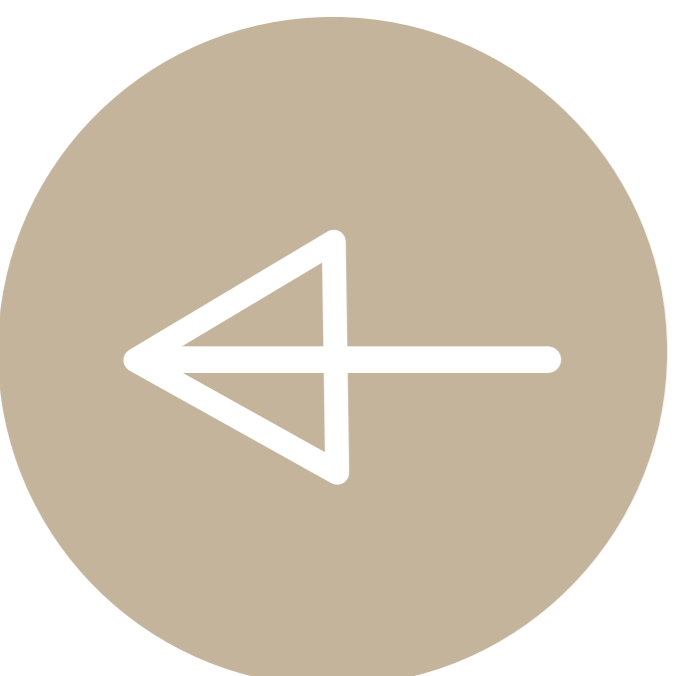

Our infrared camera will check your temperature to ensure you are below the required 37.5°

If a high temperature is recorded take a seat in your car and then retry 15 minutes later. If the situation is repeated you will be unable to continue with your booking.

Wash your hands regularly.

Use our hand sanitising stations situated throughout the hotel.

Please keep to the left in hotel corridors and familiarise yourself with directional signage within our foyer.
